

# COURSE DIRECTORY

# Welcome To SIBBALD

**Our family run business has been delivering training for over 50 years, with a reputation for providing outstanding course delivery and customer service.**

200+ training courses, assessments & vocational qualifications, providing a full offering to keep your employees safe & compliant.

Training provided throughout Scotland at our accredited centres in West Lothian and Aberdeenshire or nationally at your location. We deliver training where you need it.

Accreditations from the leading awarding bodies, supporting a wide range of sectors including construction, utilities & civil, logistics & distribution and manufacturing.

Ongoing investment in green technologies, allowing our business to be run in a sustainable manner.

Course delivery options of face-2-face, eLearning or virtual delivery, allowing flexible learning to fit with your availability and location.

Partnership with complimentary training providers and industry funding bodies supporting career development.

## **An industry leading training facility in Central Scotland**

Blackridge Training facility is one of the largest in Scotland with 50,000m<sup>2</sup> of external training area and 20 classrooms, giving your employees space to learn and access to a wide range of facilities in a single location.

Large external plant operating training area with zones including trenching support, roads & radius bends and loading bays to allow a wide range of training to be delivered.

Strategic location with excellent road and rail links all within close reach of Glasgow, Edinburgh, Stirling & Perth, allowing quick and easy access. 16 EV charging stations available onsite.

Material handling plant and access equipment training delivered in a safe and controlled environment within an all weather facility where all levels of experience can be supported.

Two cranes and a hi-ab lorry permanently on site with training delivered in two zones allowing for realistic operator and slinger/signaller courses to be run simultaneously

Training facility includes a CSCS Health, Safety & Environmental test facility, virtual classroom & plant simulator room designed to provide a positive environment for delegates to learn in.

**Our unique facility is one of the largest in Scotland with 50,000m<sup>2</sup> of training space and an experienced team of over 40 employees.**

**Indoor facility for delivery of New Roads & Street Works assessment whatever the weather.**

**Realistic approach to confined space through training in our 35m of tunnels.**

**Funded SDS Modern Apprenticeship Program available to support plant operator careers.**

**Indoor working at height and rescue tower and rooftop ladder access training areas to support a full range of working at height training needs.**

# Testimonials

“

*"We have found the service offered by Sibbald Training to be exemplary. They have provided solutions to our training requirements with ease, and offered competitive rates in doing so."*

*"All the staff been fantastic to deal with, and have been excellent in answering any queries I have had. I would not hesitate to recommend them to anyone in the construction industry."*

*"All the staff been fantastic to deal with.."*

*"I felt like I walked away with a good understanding of the course. The instructor was very clear and engaging from start to finish, professional and funny."*

*"...Instructor was very clear and engaging..."*

*"When I first started booking training for our company I was overwhelmed, to say the least! The team at Sibbald have been so professional and helpful through every step of the process. They even arranged to have one of the Business Development Managers come out to the office so we could sit down and go over the different training courses offered, and what was required to get the bookings made. There is always an open line of communication with Sibbald, from general queries to issues with specific bookings."*

*"I appreciate their support and all that they do."*

# IT'S NEVER TOO LATE **TO LEARN** **NEW SKILLS**

We are delighted to have funding available for Modern Apprenticeships in Plant Operations and Supervising lifting operations!

This lets people over the age of 16 work, learn and earn at the same time. Build valuable work experience from day one and gain an accredited qualification which is recognised by industry.

## **You can expect:**

- Industry specific training: red card novice training (CPCS or NPORS)
- SVQ-assessing competency to gain blue competent operator card.
- Core and meta skills embedded throughout training

## **What categories are covered?**

- 🌀 Forward Tipping Dumper      🌀 Telehandler
- 🌀 Ride on Roller      🌀 Crane Supervisor
- 🌀 Excavator 360 above and below 10t
- 🌀 Rear Tipping Dumper      🌀 Roto Telehandler

# Construction & Plant

## Sibbald Training offer a range of vocational qualifications to support your career.

Our range of VQs are designed to allow you to demonstrate your skills following your initial training. They are assessed in your workplace environment by an occupationally competent assessor and provide an effective way to progress your career and qualification by demonstrating competence against a set of performance objectives.

# E-Learning

**We offer over 100 eLearning titles, covering topics including Health & Safety, Business Skills, Leadership, Social Care and Hospitality.**

-  Course are developed using a combination of the instructor led delivery, professional scripts, animations, interactive games and quiz-style questions to keep candidates interested and stimulated
-  Training is completed through a simple online dashboard which includes a range of features that allow you to manage, monitor and report on the progress of candidates and much more.
-  Courses can be purchased individually or as a monthly subscription based on your number of candidates.

**The courses have been developed using specialist online video production methods which ensure extremely high quality and fast content streaming across a variety of devices.**

# E-Learning

## Popular courses supporting Construction, Utilities & Civils, Logistics, Distribution & Manufacturing sectors:

Abrasive Wheels	Online Annual Refresher	Manual Handling
Asbestos Awareness	Fire Doors	Noise Awareness
Asbestos Awareness for Architects and Designers	Fire Extinguisher	Personal Protective Equipment
Electrical Safety	Fire Marshal	Preparation for the CITB Health, Safety & Environment Test
Environmental Awareness	Instagram for Business	Behavioural Safety
Basic Fire Safety Awareness	Hand Arm Vibration Syndrome	Slips, Trips and Falls
CDM Awareness	Introduction to Personal Safety for Lone Workers	Working at Height
Control of Substances Hazardous to Health (COSHH)	Introduction to Risk Assessment	Working in Confined Spaces
Emergency First Aid at Work -	Level 1 Health and Safety in a Construction Environment (Leading to CSCS Green Card)	Working Safely
		Workplace Health & Safety

## Other courses available:

Achieving Food Hygiene Rating Level 5	Hand Arm Vibration Syndrome	Portable Appliance Testing
ADHD Awareness	Handling Information in a Care Setting	Paediatric First Aid
Alcohol Personal Licence Holder	Health and Safety in a Care Setting	Person-Centred Care
Allergen Awareness	Hot Works	Positive Handling in Schools
Anti-Harassment and Bullying	Introduction to AI	Presentation Skills
Anti-Bribery and Corruption	Introduction to generative AI	Preparing for a Job Interview
Anti-Money Laundering	Infection Control	Prevent Duty
Assessing Display Screen Equipment	Instagram for Business	Provision and Use of Work Equipment Regulations (PUWER)
Autism Awareness	Introducing GDPR	Principles of Communication
Banksman Training	Introduction to Early Years Foundation Stage	Project Management
Basic Fire Safety Awareness for Care Homes	Introduction to Emotional Intelligence	
Basic Legionella Management	Introduction to HACCP Level 2	
Children and Young People's Mental Health	Introduction to the Safe Handling of Medicines	RIDDOR
Conflict Resolution in the Workplace	Ladder Safety	Reporting Injuries, Diseases and Dangerous Occurrences
Customer Service	Leadership Skills	
Cyber Security	Learning Disability Awareness	Safeguarding Adults
Covid-19 Safe Workplaces	Level 1 & 2 Food Safety - Catering	Safeguarding Children
Dementia Awareness	Level 1 & 2 Food Safety - Manufacturing	Sales Skills
Depression Awareness	Level 1 & 2 Food Safety - Retail	Search Engine Optimisation for Business
Developing Good Employee Relations	Licensed Premises Staff Training	Sexual Harassment in the Workplace
Developing Teamwork	LinkedIn for Business	Sharps Awareness
Developing a Workplace Mental Health Policy	Lockdown Procedure in Schools	Social Media for Business
Diabetes Awareness	Lock Out, Tag Out (LOTO)	Stress Management
Dignity and Privacy	LOLER	Stroke Awareness
Disciplinary Procedures	Managing Meetings	Supervising Food Safety - Level 3
Display Screen Equipment Awareness	Managing Mental Health in the Workplace	The Principles of Performance Management
Drug and Alcohol Awareness	Managing Occupational Health & Well Being	Time Management
