

APS Accredited – CDM Awareness

Aims

This course gives an overview of these duty holders and their responsibilities with particular attention given to the client role. It is suitable for any duty holder who needs a broad understanding of CDM which place great emphasis on cooperation and coordination and necessitate a general understanding of each duty holder's role. The course explains the structure of the background of the Regulations, including standards of care so that learners can have the confidence to navigate and interpret the Regulations for themselves and key terms used in the in CDM are all defined.
