

SSP – Site Supervisor Safety Training Scheme - VIRTUAL

Aims

The aims and objectives on the two-day SSSTS course are to ensure that all those given supervisory responsibilities understand:
Why they are carrying out their identified duties.
What is expected of them.
That they need to contribute to the safety of the workplace.

Who Attends

This Site Supervisors Safety Training Scheme (SSSTS training course) is aimed at first line managers, including those who have to or are about to, acquire supervisory responsibilities.

Course Content

- Health and safety law
