

COURSE DIRECTORY

Welcome To SIBBALD

Our family run business has been delivering training for over 50 years, with a reputation for providing outstanding course delivery and customer service.

200+ training courses, assessments & vocational qualifications, providing a full offering to keep your employees safe & compliant.

Training provided throughout Scotland at our accredited centres in West Lothian and Aberdeenshire or nationally at your location. We deliver training where you need it.

Accreditations from the leading awarding bodies, supporting a wide range of sectors including waste, construction, utilities & civil, logistics & distribution and manufacturing.

Ongoing investment in green technologies, allowing our business to be run in a sustainable manner.

Course delivery options of face-2-face, eLearning or virtual delivery, allowing flexible learning to fit with your availability and location.

Partnership with complimentary training providers and industry funding bodies supporting career development.

An industry leading training facility in Central Scotland

Blackridge Training facility is one of the largest in Scotland with 50,000m² of external training area and 20 classrooms, giving your employees space to learn and access to a wide range of facilities in a single location.

Large external plant operating training area with zones including trenching support, roads & radius bends and loading bays to allow a wide range of training to be delivered.

Strategic location with excellent road and rail links all within close reach of Glasgow, Edinburgh, Stirling & Perth, allowing quick and easy access. 16 EV charging stations available onsite.

Material handling plant and access equipment training delivered in a safe and controlled environment within an all weather facility where all levels of experience can be supported.

Crane, roto-telehandler and hi-ab lorry permanently on site with training delivered in two zones allowing for realistic operator and slinger/signaller courses to be run simultaneously

Training facility includes a CSCS Health, Safety & Environmental test facility, virtual classroom & plant simulator room designed to provide a positive environment for delegates to learn in.

Our unique facility is one of the largest in Scotland with 50,000m² of training space and an experienced team of over 45 employees.

Indoor facility for delivery of New Roads & Street Works assessment whatever the weather.

Realistic approach to confined space through training in our 50m of tunnels.

**Skills
Development
Scotland**

Funded SDS Modern Apprenticeship Program available to support plant operator, lift supervisor and ground worker careers.

Indoor working at height and rescue tower and rooftop ladder access training areas to support a full range of working at height training needs.

Testimonials

"We have found the service offered by Sibbald Training to be exemplary. They have provided solutions to our training requirements with ease, and offered competitive rates in doing so."

"All the staff been fantastic to deal with, and have been excellent in answering any queries I have had. I would not hesitate to recommend them to anyone in the construction industry."

"All the staff been fantastic to deal with.."

"I felt like I walked away with a good understanding of the course. The instructor was very clear and engaging from start to finish, professional and funny."

"...Instructor was very clear and engaging..."

"When I first started booking training for our company I was overwhelmed, to say the least! The team at Sibbald have been so professional and helpful through every step of the process. They even arranged to have one of the Business Development Managers come out to the office so we could sit down and go over the different training courses offered, and what was required to get the bookings made. There is always an open line of communication with Sibbald, from general queries to issues with specific bookings."

"I appreciate their support and all that they do."

IT'S NEVER TOO LATE **TO LEARN** **NEW SKILLS**

From Skills Development Scotland

We are delighted to have funding available for Modern Apprenticeships in Plant Operations and Supervising lifting operations!

This lets people over the age of 16 work, learn and earn at the same time. Build valuable work experience from day one and gain an accredited qualification which is recognised by industry.

You can expect:

- Industry specific training: red card novice training (CPCS or NPORS)
- SVQ-assessing competency to gain blue competent operator card.
- Core and meta skills embedded throughout training

What categories are covered?

- 🌀 Forward Tipping Dumper
- 🌀 Telehandler
- 🌀 Ride on Roller
- 🌀 Crane Supervisor
- 🌀 Excavator 360 above and below 10t
- 🌀 Articulated Chassis Dump Truck
- 🌀 Roto Telehandler
- 🌀 Agri Tractor
- 🌀 GCO (Draining & Concrete)
- 🌀 Formworks

Construction & Plant

Sibbald Training offer a range of vocational qualifications to support your career.

Our range of VQs are designed to allow you to demonstrate your skills following your initial training. They are assessed in your workplace environment by an occupationally competent assessor and provide an effective way to progress your career and qualification by demonstrating competence against a set of performance objectives.

Accreditation	Course
Plant VQ	Level IV - VQ Lifting Operations (Appointed Person)
Plant VQ	Level III - VQ Lifting Operations (Crane Supervisor)
Plant VQ	Level II - VQ Lifting Operations (Slinger Signaller)
Plant VQ	VQ Plant Operations (All Equipment)
Craft Trade VQ	Level II - VQ Skilled Trade (Brickwork)
Craft Trade VQ	Level II - VQ Skilled Trade (Carpentry/Joinery)
Craft Trade VQ	Level II - VQ Skilled Trade (Drylining Finishing/Ames Taping)
Craft Trade VQ	Level II - VQ Skilled Trade (Drylining Fixing/Metal Stud)
Craft Trade VQ	Level II - VQ Skilled Trade (Drylining Boarding)
Craft Trade VQ	Level II - VQ Skilled Trade (Painting & Decorating)
Craft Trade VQ	Level II - VQ Skilled Trade (Plastering Trades - Solid Only)
Craft Trade VQ	Level II - VQ Skilled Trade (Groundworker/Construction Operative)
Craft Trade VQ	Level II - VQ Skilled Trade- Civil engineering ops- Concreting
Craft Trade VQ	Level II - VQ Skilled Trade- Civil engineering ops- Drainage
Craft Trade VQ	Level II - VQ Skilled Trade- Civil engineering ops- Excavation
