

CPCS A73 Vehicle and Plant Marshal – Grant Funded

Aims

To learn how to prepare for vehicle movement and guidance, communication, plant hazards and ground condition, work area layout and positioning as part of a work management traffic plan.

Who Attends

Potential and existing operators who have received no formal instruction and those requiring refresher training.

Course Content

- Duties, role and responsibilities and any limitations of those marshalling the movement of plant and vehicles in various situations
- Hierarchy of control measures for plant and vehicle movement and the requirements of a work traffic management plan
- Legislative requirements and procedures relating to plant and vehicles accessing/egressing for the public highway and the effect on other road users
- Types, attributes, limitations, hazards and stability factors on different plant and vehicles relevant to the occupational area or sector
- Factors of driver visibility for different plant and vehicles
- Ground conditions, proximity hazards and weight limits and the affect these have on operations of plant and vehicles
- Safety positions for a marshaller and other personnel
- Communication methods and how to pass information on to drivers/operators and other personnel involved
- Safe systems of work, exclusions zones, PPE and resources required to marshal
- Marshalling plant and vehicles to an exact location using an approved code of signals and marshalling to support the duties of the plant operator

Course Duration

This is a 3 day course which includes training and testing.

Maximum Candidates

Maximum attendees: 4 candidates

Qualification Obtained

This course will give delegates a CPCS Red Trained Operator card (on successful completion of both CPCS Technical tests) valid for 2 years.

Entry Requirements

The relevant CITB Health Safety & Environmental test must be current and in date (completed within the last 24 months).

Additional Information

This course is for companies who pay a CITB Levy. Upon successful completion of this course the levy paying organisation will receive a grant from CITB. For up to date levy grant amounts please click [here](#).
